

U. S. S. PHILADELPHIA

Sept. 25, 1945

To little Miss. Joan,

Comes a little gift
from your Daddy's own 6th Div-
ision. You will someday be
proud to know that beside
being a very capable and eff-
icient officer that he was also
the most considerate and fairest
man the division has known.
It has been a pleasure
serving with him, as he was
one of us.

On your cruise through
life may you always have
