Taps Across America – The National Moment of Remembrance - Monday 5/31/21 3PM

Sunday, May 30, 2021

“On Memorial Day, Americans remember those who have died in military service to the United States. The National Moment of Remembrance is an annual event that asks all citizens, wherever they are at 3:00 p.m. local time, to pause for a duration of one minute in silent tribute to the men and women who have honorably served in uniform and to those who made the ultimate sacrifice for our nation”

At 3 pm (local) on Memorial Day thousands of participants will be spread out across our nation to sound the 24 notes of our most solemn bugle call-Taps. Buglers and trumpeters will sound the call from their front porch, on their apartment balcony, driveway, on the sidewalk, and at cemeteries and memorials to make sure this musical tribute is given to those who, as President Abraham Lincoln put it, gave the last full measure of devotion

The idea is to find a location to perform and sound the call after observing one minute of silence.

Last year over ten thousand participated to honor, reflect, and remember.

I know where my family will be at 3pm tomorrow.

My granddaughter has played the trumpet since 5th grade and continued in college marching band. Even during this past challenging year.

Sp precious! THX for letting us know! It was on the SUNDAY morning show! I'll be there in 'spirit'!

On my blog, today:

5-31-21 We are so blessed to have our freedoms! May your Monday bring you all the joy

your heart can hold! I am being thankful to all who helped make my life FREE!

I just got in from a long walk, before heat hits, 100 today. PLUS, Swimming is in my future!

I DID swim for 40 minutes, yesterday. Got REALLY tired. It's been many months. I just thought I could start where I left off.

DH didn't feel up to grilling yesterday. Better today so we are off to it!
Asparagus with parm cheese, pineapple, chicken sausages, chicken thighs, & watermelon for

desert! I DID buy a pre frozen lemon meringue pie. NOT our usual brand. We tried a little last night, YUCK! SO sweet, 67 grams of carbos, 1/4 of it was sugar. I didn't read label. Its going back to the store! YEAH for me!

I truly hope you are all doing REALLY great! Happy Memorial Day for those who celebrate. BUT,

don't we ALL celebrate our freedoms?

What a special tribute to those who gave the ultimate sacrifice for all in the name of freedom! I live in a rural area and have never heard that. In the past we have gone the Jefferson Barracks National Cemetery where my FIL is buried and have seen that observed. There would be multiple buglers around the cemetery and the sound is haunting.

What an awesome tribute. My Mum was a war bride she lived in the East End of London, it was bombed badly. She said if it were not for the American soldiers she would not have had pineapple or any citrus fruits at all for the entire war, they were wonderful about sharing their care packages from home

We visited Little Bighorn today, and it was very emotional. I can imagine all the people playing Taps at once is also a very emotional event.
